The Comite Textil is part of the Sociedad Nacional de Industrias ("Sociedad"), in Peru, which is a private organization representing major business and industrial firms in Peru. It is comparable to the Chamber of Commerce in the United States. The Sociedad is organized as a trade association. It is ultimately owned, controlled and directed by companies for firms in Peru which choose to join as members. Members of the Sociedad who produce textiles or apparel have formed a separate Committee within the Sociedad, the Comite Textil, which represents the general interests of the textile and apparel industry in Peru and elsewhere. The ultimate policies of the Comite are determined by member companies of the Comite, through consensus building procedures and a board of directors. A list of the member companies and current board is appended to this Exhibit. The Comite Textil is financed solely by dues from its member firms.

10. If the foreign principal is an organization and is not owned or controlled by a foreign government, foreign political party or other foreign principal, state who owns and controls it.
